

Aichi University of Education (Aichi Prefecture)

Sophisticated and practical education/training in place

◇ University overview

○ Brief overview of the university

The mission of Aichi University of Education is to contribute to world peace, human welfare and advancement of civilization through its commitment to liberal arts education and academic research in our effort to nurture clear-sighted and well-balanced.

Faculty of Education consists of two programs; Teacher training program and Contemporary liberal arts & science program. In the former, teaching license is the graduation requirement and in the latter, students deepen their knowledge of education and specialized subjects.

Graduate School of Education is divided into 13 majors; Science of Human Development and Education, Special Support Education, School Nursing and Health Education, Clinical, Psychological, and Practical Studies in School Education, Japanese education, English education, Social studies, Mathematics education, Science education, Arts education, Health & physical education, Home economics education, Technology education, fostering research skills for educational practice of in-service teachers, people involved in education as well as ordinary people.

There are affiliated schools of all categories for educational practices; primary schools, junior-high schools, a high school, a special support school and a kindergarten. The university is located in Kariya where Toyota group companies and other manufacturers are found. It is also an ideal environment for technology education.

Number of teacher training students	6	3	1	7

◇ Outline of the course for

Teacher Training students

○ Program characteristics:

Our program features extensive training for school education, integrating theory and practice and taking advantage of specialty as teacher training institution.

○ Number of students to be accepted: 12

○ General description of the training program

• Japanese Language Education

(1) From October 2014 to March 2015, 6-month Japanese language instruction is given in the Japanese language course (at Nagoya University) designed by MEXT.
 (2) From April 2015, students can attend seven courses at AUE; Japanese language (beginner, intermediate, advanced), practical Japanese, pronunciation, linguistics and school education.

• Specialized training

(1) Individual guidance matching with each student's research topic is provided by each academic adviser.

(2) Able to attend lectures and seminars related to the student's research field (both undergraduate and graduate level)

(3) Preparing a final research paper under the guidance of the academic adviser.

• Participatory subjects such as field trips and regional exchanges

(1) Class observation in affiliated schools.

(2) Exchange activities with pupils/students in schools of local community

(3) Special study tours designed for international students

(4) Various events planned by local organizations such as Japanese culture experiences.

• Others: Student Tutoring

Each student is allocated Japanese student tutors (a Japanese language tutor and an Academic tutor) who will provide the student with a wide range of assistance.

◇ Follow-up for graduates: Issues of Alumni News Letter
